Sir,

I have the honor to submit the following report on the school sports held in Mysore in honor of the marriage of His Highness the Maharajah. I consulted a Committee consisting of the following gentlemen :– Rev. W. W. Holdsworth, Mr. K. Narsingar, Mr. M. Venkatakrishnayya, and Mr. S. Malhari Rao.

It was decided to feed all the school going children in the Maharaja's College on the morning of June 5th and to hold sports on the Maidan near the Public offices in the afternoon.

These arrangements were carried out : At the distribution each child received one

ladoo and one mango and 2 plantains; and after the sports were over in the afternoon several children received a second supply. Unfortunately the attendance of children at the sports was not quite as large as it might have been and the Committee decided not to spend all the money which had been set apart for prizes but to divide part of the amount among some of the larger schools so that each institution might make its own arrangements for sports. As the Maharani's Girls' school was closed at the time the Committee decided to give a sum of money to the school authorities for a school treat. also after the distribution was over it was ascertained that eight trial schools had not been represented at the distribution and a sum of five rupees was given to each of these schools through the Municipal schools Inspector. ††

DEPUTY COMMISSIONER'S OFFICE,

D. O.

Bangalore 29th August 1900.

My dear Mr. Ranteshwar Singh

With reference to your note of the 18th instant calling for the accounts of money spent through me at Bangalore in connection with the Royal marriages, I beg to send herewith the accounts together with the vouchers of

moneys spent for feeding and clothing

Against a sum of Rs 3000/- sanctioned for this purpose the actual expenditure incurred amounts to Rs 3447-11-2. The excess is due to the Brahmin community having been treated to ~~extra~~ ghee which was considered necessary in view of the importance of the auspicious occasion.

I have already mentioned to you that the Amount awarded to the Bangalore dancing girls is too small and that an additional grant of a thousand Rs. will make the remuneration fairly adequate.

Yours very Sincere

H H Cunningham
